RESIDENTIAL ELECTRIC VEHICLE RATE**AVAILABLE**

Electric service is available under this schedule at points on Company's existing distribution facilities to residential customers who purchase or lease a plug-in electric vehicle ("EV") and charge the vehicle through a connection to the Company electric distribution system. An EV is any vehicle propelled by an engine that utilizes, at least in part, on-board electric energy from a battery charging system. This schedule is available to residential customers who charge their electric vehicles at their primary residence on a single advanced meter that is also used to measure consumption at the primary residence (whole house) level.

APPLICABLE

Applicable to customers that qualify for the Company's Residential Standard Service pursuant to Rate Schedule RS.

This schedule is not applicable to backup, breakdown, standby, supplemental, short term, resale or shared electric service.

DEFINITIONS AND CONDITIONS

1. The initial term of service under this rate schedule shall be not less than one year. Company reserves the right to require the customer to execute an Electric Service Agreement with an additional charge, or special minimum and or a longer initial term when additional facilities are required to serve such customer. Company will allow customers taking service under the REV rate to opt-out once within the first year of service under the REV rate. Customer may not return to the REV rate for one year after leaving the REV rate.
2. Company shall install metering equipment capable of accommodating the rate schedule described herein.
3. Company reserves the right to refuse service under this rate schedule if Customer is unable to demonstrate appropriate qualification for the rate when such demonstration is requested by Company.
4. Company reserves the right to refuse service under this rate schedule for reasons pertaining either to safety conditions at Customer premises or to technological limitations, at the sole discretion of the Company.
5. Service under this rate schedule is subject to Company's General Rules and Regulations presently on file with the State Corporation Commission of Kansas and any modification subsequently approved.
6. All provisions of this rate schedule are subject to changes made by order of the regulatory authority having jurisdiction.
