### Almost Done!

Here's some information about our grants approval process.

#### What's next?

After you submit this form, we'll review your grant request. We consider each request carefully, so we kindly ask for your patience as we go over the details.

We'll notify you by email that we received your request, and follow that up with a notification that it's being reviewed. After that, we'll let you know if additional information is needed or if it's been approved or declined.

We believe every cause is important. But due to the volume of requests we receive each year and limitations on available resources, we follow a prioritization and evaluation process that helps us invest in programs in the most effective way possible.

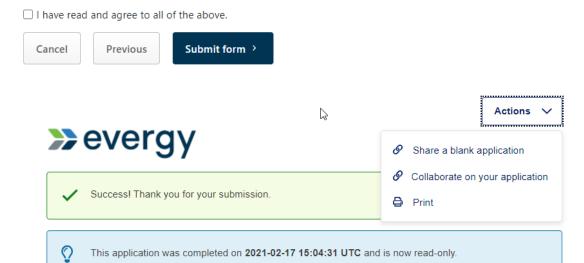

Here's how we evaluate and prioritize requests:

- · Alignment of the agency's mission with our focus areas
- · Documented history of the agency's effectiveness, financial soundness and leadership
- · Evergy's relationship with the agency through volunteers, board leadership or business involvement
- · Location of the agency within or near our service and operating area

### Agreement

By submitting this application, you confirm that you have the authority to submit this request and agree to the conditions described below.

- All information provided in this application is true and accurate to the best of your knowledge.
- You consent to receiving email notifications regarding this request and any subsequent emails from Evergy that
  relate to this request or any future grants.

Once the request is submitted, click on the "Actions" button and select "print" to keep your request.
