

PILOT PROGRAM DETAILS

The Evergy pilot program is designed to help customers replace aging, inefficient equipment and systems with energy-efficient technologies, and motivate customers to install new Energy Star® rated fans instead of non-Energy Star® rated fans.

ELIGIBLE PARTICIPANTS

Residential customers in the Evergy Missouri territory.

ELIGIBLE EQUIPMENT

This application form is for qualified Radon fans. Radon fans must be ENERGY STAR® certified as single or multi port in-line ventilation fans.

Rebate Application Instructions

Complete the application.

Refer to the Application Checklist on page 2 to verify that all required information and documentation are included for submission to the program.

Incomplete applications will not be accepted and will be returned to the applicant for completion.

Please indicate if the rebate payment should be made payable to the customer of record or a third party, such as the installation contractor.

All rebate payments require authorization from the customer of record.

Submit complete application packages by U.S. mail, email or fax.

Appliance must be purchased by December 31, 2023.

Application must be submitted by December 31, 2023.
